Duncan Skol 3rd X—a young polled bull who will be ready for the 78 breeding season. He is from our top producing cow family—the Queen of Junes showed and produced well for Acadia and continue to do so for us. This bull calf combines "Fillet", Stone Oak Leader and our herd sire, Troubador Skol. He should be a top breeding bull polling his calves one hundred per cent.

A rare opportunity to purchase a son of the great Canadian bull, Four Point Major X, better known as "Massive Major X" that weighed over 2600 pounds and 2-3 interest sold for \$10,000. Frank's Major is a good dehorned bull, with a lot of polled blood in his pedigree. He weighed 73 lbs. at birth and 1,010 pounds at 13 months of age. We purchased his dam in the 1976 Ohio National Sale at \$900. She is a 3 year old now and weighs 1300 pounds.

We are proud to offer this young cow to you at this time. On the show string, she was undefeated in class and was Champion many times. She calved at 18 months and her calf weighed 88 pounds at birth. He was slaughtered at 19 months and weighed 1365 pounds and had a carcass weight of 860 pounds. He was Junior Fair Champion, Reserve Champion over all breeds in open class and was a member of the Champion pen of 3 steers at our county fair. Her second calf, an 87 pound heifer at birth, is undefeated in class and calf champion for us. Babe was pasture exposed from January to March, 1977, and has been examined safe in calf to the bull who sired the Champion and Reserve Champion females at the Eastern Ohio Show and Sale at Zanesville. He is a polled grandson of "Fillet"!

Standard Guarantee

Endorsed by AMERICAN SHORTHORN BREEDER'S ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense or freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as the service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
